WORK EXPERIENCE

Northwell Health
Administrative Support Assistant

New Hyde Park, NY
Dec 2025 – Present

- Provide administrative and operational support within a busy outpatient urology clinic, working closely with physicians, nurses, and clinical staff.
- Manage patient-facing workflows including check-in/check-out, phone communications, scheduling coordination, and insurance verification in compliance with HIPAA standards.
- Maintain and organize electronic patient records, department files, and confidential documentation using Northwell systems.
- Support clinic operations by preparing correspondence, taking meeting minutes, monitoring supply inventory, and assisting providers and leadership with day-to-day needs.

Sreyo
IT Consultant Intern

New York, NY
May 2024 – Aug 2024

- Automated AWS infrastructure using Terraform and GitHub Actions, cutting deployment time by 30%.
- Configured CI/CD pipelines and resolved 15+ infrastructure issues, maintaining 99% uptime.
- Collaborated with a team of interns on projects for clients like Amazon and The Salvation Army.

Self-Employed IT Support
IT Support Technician

Queens / Nassau / Remote, NY
Jan 2018 – Present

- Provide on-site and remote IT support for clients' desktops, laptops, and mobile devices.
- Install, configure, and maintain Wi-Fi mesh networks, security cameras, and hardware upgrades (RAM, SSDs).
- Educate users on system security, maintenance, and best practices.
- Create simple troubleshooting guides, reducing repeat requests by 25%.

Walgreens
Pharmacy Technician

Elmont, NY
May 2021 – Dec 2024

- Maintained prescription and EMR data accuracy while ensuring HIPAA compliance.
- Assisted 10+ pharmacy staff daily with technical issues in POS and prescription software, minimizing downtime and improving workflow efficiency.
- Delivered customer service and trained new staff on technical systems and procedures.
